

# UBERTI

*Viticoltori dal 1793 in Erbusco*

## **CURTEFRANCA BIANCO MARIA MEDICI**

**AREA OF PRODUCTION:** vineyards belonging to the Uberti Farm in Erbusco.

**GRAPES USED:** Chardonnay.

**PRODUCTION PROCESS:** obtained from strictly selected Chardonnay grapes, it is vinified partly in stainless steel containers and partly in natural oak containers.

Only after 24 months aging it will be bottled and the result will be a right balance between scent and body of the wine.

### **ORGANOLEPTIC CHARACTERISTICS**

Intense pale yellow colour with strong greenish tints.

Wide and persistent scent, you can already smell it while filling the glass up.

Taste: as it is a full-bodied wine, it gives a strong "fullness" sensation, well supported by a right acidity.

Alcoholic content: 12,5%.

Total acidity: 6

Serve it cool: 12°C.

It can bear the aging if kept in optimum conditions.

It is a good accompaniment to the whole meal, except for game and red meat roasts.

### **AVAILABLE FORMATS:**

0,750 lt. Bottles and 1,50 lt. Magnum
